

LITERATURE DISPLAY LOG SHEET

Dear Publisher:

Jesus said: "The harvest is great, but the workers
"Go . . . and make disciples of people of all the nations."

are few.”—Matthew 9:37. In chapter 28:19 he also said: Jesus knew quite well that, though our numbers would be

few in comparison to the world’s population, we would be able to get the work done with Jehovah’s Holy Spirit. Aren’t we thankful for the many avenues of service that help us reach honest-hearted people with the Good News—including using mobile displays?

With that in mind, below you will find a chart for checking out the literature display carts for our (Tioga) congregation. Please follow the instructions carefully.
